

Flatbed Delivery Driver CDL A

Supplies Dash LLC www.suppliesdash.com

Westminster, MA

Please respond with resume and/or email of interest to Jeanette@suppliesdash.com

Full job description

Flatbed Delivery Driver - Position Require Westminster / Worcester, MA Class A CDL

About Us: **Supplies Dash LLC** is a growing freight and logistics company headquartered in Columbus, Ohio, serving construction and home improvement clients throughout the Midwest. We specialize in last-mile deliveries using flatbed trucks and piggyback forklifts.

About the Role: We are hiring a **Class A CDL driver** with **flatbed experience** and strong mechanical instincts to join our team remotely. This position is full-time. 5-6 days a week, Monday-Saturday. Compensation is based on 6 days at \$1550/week and adjusted accordingly daily. You will be hands-on, operating forklifts, securing loads, and delivering materials to job sites and residential customers.

Because this position is remote from our home base in Columbus, the ideal candidate will be **independent, technically competent**, and able to **troubleshoot small issues on the road or with equipment** (no heavy repairs, but changing straps, identifying simple fixes, minor mechanical awareness, etc.).

Responsibilities:

- Operate flatbed trucks with mounted piggyback (Moffett) forklifts
- Secure loads with proper strapping techniques
- Conduct pre-trip and post-trip inspections
- Load/unload building materials with forklift at job sites and residential areas
- Communicate clearly and professionally with clients
- Maintain equipment cleanliness and monitor for minor mechanical concerns
- Manage delivery routes independently and stay on schedule

Requirements:

- Valid Class A CDL
- Flatbed driving experience (**required**)
- Mechanically inclined – able to troubleshoot minor issues and operate equipment confidently
- Forklift operating experience (Moffett preferred or willing to train)
- Clean driving record, drug screening, and background check
- Strong customer service and communication skills
- Comfortable working outdoors and lifting up to 50 lbs

What We Offer:

- **Home daily** – no long-haul routes
- **Full-time schedule** Monday–Saturday (6AM–8PM range, shift-based)
- Weekly pay
- Paid orientation & training
- 401(k) plan
