About the Job:

Holliston Oil Service, Inc. is a full-service home heating oil supplier serving the Metro-West communities. Due to continued growth Holliston Oil is looking to fill the following full-time position.

CDL Class B Driver: Competitive Pay Rate based on experience

You will drive our clean, modern fleet and be the face of our Company to our customers.

We are seeking a candidate to make a long-term commitment, while growing along with the Company.

Candidates must possess the following requirements to be considered for this position:

- High school diploma or GED
- CDL Class B
- Hazmat endorsement
- Relevant oil delivery driving experience is a plus
- Ability to work 1st shift, weekends and holidays
- Clean Driving record
- Ability to lift 30-50 pounds
- Strong work ethic, good attendance and willing to learn

Main Duties will include the following

- Deliver #2 heating oil to business and residential customers
- Deliver diesel fuel and kerosene to site locations such as generators, construction sites and truck fleets

Other duties will include:

- Maintain cleanliness of trucks, garage and fuel yard
- Other duties as assigned

Holliston Oil offers competitive wage and benefit packages including health insurance. We also have PAID time off including Vacations, Sick Time and Holidays. We also offer a 401k plan with a COMPANY MATCH.
